NOONAN SENSEI EUROPEAN SEMINARS AND DOJO VISITS

Noonan Sensei has been appointed as the European Technical Director by Soke. He will be teaching in Europe in March, and visiting dojos throughout Norway. In his absence, the Assistant Teachers have been asked to focus on kata in preparation for the April grading. Please make sure you prepare yourself for the April grading. Should anybody be in Europe in March, and would like to attend training, please let the dojo know.

KUMITE ELITE 2024 JAPAN VISIT

Ten elite students from our dojo will be travelling to Japan in April to complete a month's intensive Kumite (competition fighting) training. These students will be training 6 hours a day, for 6 days a week, so it is no holiday. Accompanying them will be world champion Sandra Phillips Sensei, who has been appointed as Australian Kumite Coach. Noonan Sensei is planning to visit them for a week in Japan in April. Please congratulate these people.
